

How to make money for Dufief Elementary without spending a dime...

Many local merchants have loyalty programs that will reward Dufief Elementary with a percentage of your sale each time you shop! *Many require you to re-link every year!*

This money really DOES make a difference! Most of the money that is earned through these programs goes directly to the school principal to use for the school. Some of the items Mr. Mascott hopes purchase this year include:

- Math manipulatives including base ten blocks, pattern blocks, clocks
- Core reading books and leveled readers for younger students
- Teacher Prompting Guides to generate sample questions for students
- Reading assessment kits to determine instructional reading levels
- New, up-to-date globes.
