## MINUTES

### **DuFief Elementary School Executive Committee Meeting**

December 1, 2015

**In attendance:** Yonat Lurie, Allyson Mitchell, Danielle Carrick, Rob Kemp, Jennifer Nakashima, Leilani Micalizzi, Aashima Mehta, Brent Mascott

The Executive committee met to discuss options for new spiritwear. Allyson Mitchell has been working with Special Tees in Kentlands to come up with new options.

1. **UltraClub 14x17 inch zippered drawstring cinch pack.** Minimum order is 48 at a time. We would pay \$7.70 per bag and would sell them for \$10 each to cover shipping costs. The group decided on a white bag with Dufief ES dragon design printed.
2. **Folding chair with arm rests and carrying bag.** Minimum order is 48 at a time. We would pay \$13.96 each and would sell them for \$20 each. Navy chairs with Dufief written in gold writing was selected. The group was concerned about preordering the chairs, and they do not think they will be big sellers.
3. **Saturn Jumbo Nonwoven Grocery Tote.** Minimum order is 150 at a time. We would pay \$2.55 each and would sell them for \$5 each. Black bag with 2 color Dufief logo was selected.
4. **32oz Tritan wide-mouth Nalgene water bottle.** Minimum order is 48 at a time. We would pay \$11.77 each and would sell them for \$15 each. Smoke color with royal blue lettering was selected.
5. **T-shirts, hoodies, and baseball jerseys.** Minimum order is 72 at a time. Prices varied depending on the size and style. DUFIEF in one color, and no dragon were selected for the hoodies.

The group decided that having students, parents, staff pre-order the items would be the best way to go to help prevent the PTA from purchasing too many items (particularly the chairs). Allyson will work on coming up with an order form with pictures of the items.
