See how painting can bring your imagination to life! Kids will learn about color and how to make it work for them.

We will have paintings every week. Some with instruction, and some to develop their own ideas with the techniques they learn. Kids are more likely to be engaged when the work is related to personal interests.

Registration form

Enclose a check \$275.00 payable to Melissa Tritto with this form and return to the school office or your child's teacher to the attention of "Kid's Paint Club"
